

ECVO Annual Scientific Meeting 2019

23 - 26 May 2019 in Antwerp, Belgium

Information on oral presentations:

Every presenter has **12 minutes presentation time** plus 3 minutes for questions from the audience. All presentations must be prepared utilizing Power Point and copied to a USB flash drive for LCD projection during the conference. For optimal display upon presentation we advise you to set-up the PowerPoint file in **16:9 format**.

Please submit your presentation at the slide center (in the lecture hall) as early as possible and at the latest during the break before your session.

The final conference programme is available on the ECVO conference website.

Please check for your exact presentation time: www.ecvoconference.org (Programme).

Information on posters:

Maximum size of posters is DIN A0 **vertical** orientation (119 cm x 84 cm / 46.8 x 33.1 inch). The poster design should be clear and concise. Use of large print (28 points) and a maximum of 600 words are recommended. The layout for the poster must follow the main headings used in the abstract (Purpose, Methods, Results, and Conclusions).

Poster setup is on

Thursday, 23 May during lecture breaks

Friday, 24 May, 7:30h – 8:30h at the latest

Posters should stay up until **Saturday, 25 May, 17:30h**. Please remove your poster then.

Each poster will be allocated a predetermined position.

There will be two poster sessions:

Friday, 24 May (13:00h - 14:00h) and

Saturday, 25 May (13:00h - 14:00h)

Presenting authors are asked to stand by their poster during the assigned poster session.

Please refer to the programme on the ECVO conference website to find out which session your poster was assigned to: www.ecvoconference.org (Programme).
